
Section 1: Identification

Product Identifiers

Product name **Krazy Tape HEAVY BOND**
/ **CLEAR BOND / FINGER LIFT**
Product number **HEAVY BOND (KT1208/1224)**
CLEAR BOND (KT2208/2224)
FINGER LIFT (KT3148)

Manufacturer's Information

Manufacturer's Name

Toagosei America Inc.
1450 West Main Street
West Jefferson, OH 43162

Recommended use of & restrictions on use
Adhesive Tape

Telephone: (614) 879-9411

Emergency telephone number

CHEMTREC (800) 424-9300

Section 2 – Hazard Identification

HAZARDOUS SUBSTANCES None

The product comprises a siliconized release paper, polyester, polyethylene or polypropylene film lining a pressure sensitive tape comprising a synthetic rubber, acrylic or modified acrylic adhesive either unsupported or supported on both sides of a cellulosic tissue, polypropylene film, PVC film, polyester film and various foam constructions.

Section 3 – Composition/Information on Ingredients

This product does not present any particular hazard provided it is handled in accordance with good industrial hygiene and safety practice and under normal conditions of use. Following our present state of knowledge this product is not classified as a hazardous substance.

Section 4 – First-Aid Measures

If inhaled

Not applicable under normal conditions of use.

In case of skin contact

Not specifically applicable. Product will adhere temporarily to skin and may cause slight reddening on removal as per a self-adhesive skin plaster. Discontinue use if an allergic reaction occurs.

In case of eye contact/Ingestion

Not specifically applicable.

Section 5 – Fire-Fighting Measures

Extinguishing media

Every media is appropriate.

Unsuitable extinguishing media

Not known.

Protection of Firefighters

Self-contained breathing apparatus.

Section 6 - Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

Not applicable under normal conditions of use.

Environmental precautions

This product does not present any particular risk to the environment.

Methods and materials for containment and cleaning up

Not applicable under normal conditions of use.

Other information

Comply with all applicable federal, state, and local regulations.

Section 7 – Handling and Storage

Advice on safe handling

Does not require any specific handling procedure.

Conditions for safe storage

Does not require any specific technical measures. For longevity of product it is recommended that it is stored in closed cartons away from direct sources of heat and light.

Packaging

Product may come packed in a variety of recyclable or reusable packaging.

Section 8 – Exposure Controls/Personal Protection

Engineering measures

Does not require any particular measures provided it is in accordance with good hygiene and safety practice.

Personal protective equipment

Not specifically applicable.

Section 9 – Physical and Chemical Properties

a) **Physical state** : Solid

b) **Color** : HEAVY BOND - Gray, CLEAR BOND - Clear, FINGER LIFT - Clear

c) **Odor** : Faint

d) **Odour Threshold** : No data available

e) **pH** : No data available

f) **Melting point/freezing point** : The product will melt at high temperatures

g) **Boiling point/boiling range** : No data available

h) **Flash point** : No data available

g) **Evaporation rate** : No data available

h) **Flammability (solid, gas)** : The product will burn if ignited

i) **Upper explosion limit** : No data available

j) **Lower explosion limit** : No data available

k) **Vapour pressure** : No data available

l) **Relative vapour density** : No data available

m) **Relative density** : 1

n) **Density** : No data available

o) **Water solubility** : Not soluble

p) **Solubility in other solvents** : Adhesive is partially soluble in common organic solvents

q) **Partition coefficient (noctanol/water)** : No data available

r) **Thermal decomposition** : No data available

s) **Viscosity, dynamic** : No data available

t) **Viscosity, kinematic** : No data available

u) **Oxidizing properties** : No data available

Section 10 – Stability and Reactivity

Chemical stability

Stable under recommended storage conditions.

Possibility of hazardous reactions

Product will not undergo hazardous polymerization.

Conditions to avoid

This product is stable at room temperature and in normal handling conditions.

Hazardous decomposition products

On combustion or thermal decomposition toxic gases may be release as oxides of carbon (CO+CO₂).

Section 11 – Toxicological Information

General Information

Based on our experience and according to our knowledge this product does not have any toxic effects under normal handling conditions.

Section 12 – Ecological Information

Persistence/Degradability

This product persists in the soil.

Destination of the product

As a very small percentage of a finished product this cannot be determined. Unused product is typically land filled/ incinerated where appropriate.

Possible Impact/Effect

Not dispersible. This product should not pose any specific problem to the environment.

Section 13 – Disposal Considerations

Disposal methods

General advice

Recycle the product wherever possible. For non-recycled product dispose of in accordance with local regulations. It can be disposed of as a non-hazardous industrial waste, or, incinerated at a licensed site.

Contaminated packaging

Under normal usage/ storage conditions contamination of packaging is not applicable. Depending on local possibilities recycle, reuse, or incinerate the cardboard and plastic packaging.

Section 14 – Transport Information

To the best of our knowledge at the time of creation of this document the product is not subject to any national/ international regulations for transport by rail/ road/ sea/ air.

Section 15 – Regulatory Information

No mandatory labelling is required. Product is not classified as dangerous/hazardous. It is recommended that the customer refers to all applicable and relevant local/ national/ international regulations, provisions, and legislation.

Section 16 – Other Information

The Safety Data Sheet complements, but does not replace, the Product Data Sheet Information as given in the Product Data Sheet indicating intended uses for the product but is not to be considered exhaustive. For specialist applications such as medicine, surgery, and the food industry the manufacturer should be contacted for further information.

Version 1.0 Revised 07/29/22 Printed: 1/13/2023

To the best of our knowledge, the information contained herein is accurate. However, neither Toagosei America Inc. nor any of its subsidiaries assume any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards which exist.
